This publication is intended for use by GE customers solely for purposes of operating and conducting normal running maintenance of purchased or licensed GE products, and it shall not be reproduced, redistributed, retransmitted, translated, abridged, adapted, condensed, revised or otherwise modified, in any form, in whole or in part, or used for any other purpose, without the express written consent of GE. However, if a GE customer ("Customer") requires additional copies of this document or portions thereof for internal use, GE hereby grants to Customer a limited right to reproduce this publication, in whole or in part, and Customer agrees to use such authorized copies ("Copies") solely for its intended purposes. Any Copies made under this limited reproduction right shall contain this notice and any other legal notices appearing in this publication. The Customer shall be responsible for complying with U.S. export control laws with respect to distribution of all Copies.

GE and Customer agree that the information contained herein does not purport to cover all details or variations in GE products or to provide for every possible contingency with installation, operation or maintenance. Should further information be desired or should particular problems arise that are not covered sufficiently for the user's purposes, the matter should be referred to General Electric Company. Any applicable Federal, State or local regulations or company safety or operating rules must take precedence over any information or instructions given in the Technical Documentation. GE has no obligation to keep the material up to date after the original publication.

GENERAL ELECTRIC COMPANY EXPLICITLY DISCLAIMS ALL WARRANTIES OF ACCURACY, MERCHANTABILITY OR FITNESS FOR ANY PURPOSE IN CONNECTION WITH THE TECHNICAL DOCUMENTATION AND USE THEREOF.
